Year 5 and 6 Cinema Trip- Wednesday 18th November

Monday 5th October 2026

Dear Parents/Carers,

We have been fortunate to secure free tickets for Years 5 and 6 to watch **Deep Sky** at the cinema as part of the *Into Film Festival* on **Wednesday 18th November**. This film is an awe-inspiring documentary that tells the story of NASA's James Webb Space Telescope, one of the most powerful pieces of technology ever built to capture images of space billions of light years away from Earth. The film links with the year five Learning without Limits unit 'Mission to Mars' and the year six unit of 'Existing Endangered Extinct'. This film will build a foundation on which children can link their future knowledge to, supporting their understanding

The children will be travelling to the cinema in the morning by coach and return to school for lunch as usual. Please refrain from sending your child in with additional snacks - every child will be provided with a bag of crisps and a drink to ensure consistency. Additionally, please make sure that your child is wearing their full school uniform and brings a coat in case of rain.

The **cost of the trip will be £8.50** to cover the expense of the coach to **Vue -Printworks** - this is payable on Arbor with the permission for the trip.

We hope your child enjoys this fantastic enrichment opportunity.

Yours sincerely,

Mrs Ellett

Assistant Principal
