05.10.26

Dear Parents and Carers,

We would like to invite parents and carers of children in Reception and Key Stage 1 who are currently completing Read Write Inc. (RWI) to attend an information session in school on:

Tuesday 20th October 2026

8.55am or 2.45pm

We are offering two sessions so that you can attend whichever time works best for you. Both sessions will cover the same information.

During the meeting, we will explain how Read Write Inc. Phonics is taught in school and give you a clearer understanding of what your child is learning as they develop their reading and writing skills.

We will cover:

- How children learn to read through Read Write Inc.
- The sounds, words and books your child will be working with
- How children are grouped and assessed throughout the programme
- How we identify the next steps in your child's learning
- Ways you can support reading and phonics at home
- Resources and videos available to families through the Ruth Miskin website
- Some of the language and strategies we use in school so that these can also be used confidently at home.

There will also be an opportunity to ask any questions you may have about Read Write Inc, your child's learning or how best to support them at home.

We know that supporting children with phonics can sometimes feel very different from the way adults were taught to read at school, so we hope this session will help you to understand the programme and feel confident supporting your child.

We would be delighted to see as many of you as possible. Please simply attend the **8.55am or 2.45pm session**, whichever is most convenient for you.

We look forward to welcoming you.

Kind regards,

N. Paice

Mrs N Paice
